***CANNOT PLAY WITH MORE THAN 6 PLAYERS!!!**

All teams will have 6 cups to drink from

No girl rule except for the October tourney- for Breast Cancer Awareness

House rules apply, call your own game SEE BELOW

-Before the start of each game the teams must partake in a drinking round. The winner of the drinking will receive both side and serve for both games. Then go to your assigned court and report your scores when you are done. Winning games and the drink race are combined for your total wins. Ties are determined by more drinking wins, if tied they go head to head to determine the winner.

Pitcher race champs will be determined after pool play. The top team from each pool will advance after tie breakers are played and/or determined. A playoff across all leagues will determine the pitcher race winner. If there are 3 pools the bye pool will be drawn randomly at the start of the tourney.

Playoffs: will be 2 games w/ the same rules above, the flip cup counts as the third game. Drinking is what this tourney is about so we want to reward your efforts!

***HAMMERED RULE- If a team member becomes too intoxicated that they may hurt themselves or others they are omitted from the tourney and the team play 1 man short and drinks their teammates cup as well. This is to ensure everyone's safety and to prevent unwanted injuries/**

Bar tabs will be awarded to the top drinking teams and overall teams!

T-shirts & Medals for the drinking champs!

Good luck and Drink up!

TIME OUTS

Each team is allowed ONE time out per GAME but each time out is counted against match time.

TEAM MAKEUP

Teams must consist of at least two players, one female and one male. A team MAY play ONE more male than female during regular season play. However, in playoffs, you MUST ask permission of the other team (they do have the ability to say NO). The female rule still applies, and player lineup WILL alternate male and female.

Every regular team player & substitute must sign a player release liability.

This also acts as your team roster. Any opposing team can question your roster at ANY time!

SUBSTITUTION

Rotation occurs when a team wins the serve. Rotation is to the middle back position.

PERSONS UNDER 21 YEARS OF AGE

If you are NOT of LEGAL drinking age (21 in the state of Wisconsin) then you are not allowed to play in our leagues, unless accompanied by a parent/guardian.

All children MUST be SUPERVISED at ALL times! NO EXCEPTIONS! This insures the safety of everyone. They should not be playing or digging close to the courts, again this is for EVERYONE'S safety.

If problems persist, they will be properly rectified.

UNSPORTSMANLIKE/DISORDERLY CONDUCT

Unsportsmanlike/Disorderly conduct will NOT be tolerated at ANY time! It will be left to the discretion of the ref on how to discipline this type of behavior. The referees are taking time out of their busy lives to ref, so please be respectful and ONLY the captain should approach the ref. Warnings will be given first. Continuation of this type of behavior could result in loss of points, game and even a match.

If this behavior continues to get worse and doesn't subside throughout the session, a team could be kicked out of the league, and NO refunds would be offered!

MATCH RULES

- All lines are in and net boundaries are pole-to-pole.
- Ball service may be made from any location behind the back line.

WEATHER RULES

In an effort to keep the season current, we will only call matches if severe weather conditions occur.

Rainout decisions will be made before the first match. If threatening weather (lightening, hail, etc) only lasts a short period of the evening, decisions on other games throughout the night will be made as the evening goes on. We don’t like to cancel an ENTIRE evening, unless absolutely necessary & the weather is extreme (especially with limited flex weeks)

Rainout information can be obtained by calling Fat Daddy’s at (414) 347-0524

Rainout makeup dates will be posted on the web site as well as on site and every effort will be made to accommodate any and all personal schedules.

We would prefer to have all teams play the same amount of games and make every attempt to give several alternative make-up dates.

MISCELLANEOUS

- ONLY Fat Daddy’s staff members are allowed to retrieve balls that may land on any adjacent roof, or in the empty parking lot. Please try to adhere to this rule.
- If a member is not able to retrieve an errant ball that night, every effort will be made to retrieve the ball the following day.
- Fat Daddy’s is not responsible for any lost clothing, personal belongings or equipment.
- Fat Daddy’s will have tournament quality balls on site at all times.

- If any team or members choose to use personal equipment, the aforementioned rules will apply.
